"Greg and Dina did a fantastic job. Gary always supplies friendly servers who know just what do or when to ask and allow us to enjoy our guests. Dina even brought her own ice scoop an item no always on hand. We have had the pleasure of Gary's services and his wonderful staff for a number of parties over the years."

Recommended on Apr 28, 2016 2:41 pm

"Gary's food photography is far superior to any other professional photographers that our company has utilized in the past. He has a keen sense of the perfect lighting, background and stylistic enhancements. Being a chef helps him to truly envision the final picture that creates instant customer cravings. Bravo Maestro!"
